April-May 1914

April 25th, 1914

Professor F. B. E. Hellems,

Dean, University of Colorado.

Dear Dean Hellems:

I have just received an invitation from the Regents and Faculty of the University of Colorado asking me to be present at the inauguration of Livingstone Farrar as President of the University on the first of June next. It is impossible for me to accept the invitation as that is our graduation week. I should like very much, however, if you will be kind enough to represent the University of Toronto on that occasion, and if this is agreeable to you will you please show my letter to your Registrar, and that I will ~~entirely~~ entirely ~~be~~ be ~~appointed~~ appointed to the Registrar. If you can render this service to your old Alma Mater I shall be much obliged. With kind regards, I am,

Yours sincerely,

President.
